Day:	Sunday -10:30 am
Course:	Hunters Ridge
Tees:	Blue
Game:	Flight Day and Vegas
Description:	<p>Players will be put into 3 flights based on their 36 hole Stableford score from the rounds at Pilgram's and Mines. The 6 players in each flight will compete against each other to crown a flight champion (A, B &amp; C Flights).</p> <p><i>The "A" Flight Champion will receive the LAKER'S CUP TROPHY to cherish for an entire year!</i></p> <p>Pairings will be based on your flight ranking and the A flight pairings will tee off first.</p> <p>Ties broken by total Stableford points on #1 HDCP hole from all 3 courses.</p> <p>In the background, 2 man teams will play Vegas.</p> <p>Players net scores are paired together (lowest score first).</p> <p>Player A makes a 4 / Player B makes a 5 - Hole score is 45.</p> <p>So things don't get ridiculous, there is a safeguard in Vegas.</p> <p>If a player on a given team scores a 10 or higher, then the 10+ score comes first when they are paired together. So if a team has a 7 and a 10, rather than "710" points for a hole, it's "107"</p> <p>Team with lowest total points after 18 holes, wins.</p>

Pairings Sunday morning will be by Flight and posted Saturday night.  
2 man Vegas teams will be drawn Saturday night back at the hotel.

# PILGRIMS RUN

# Penalty Areas

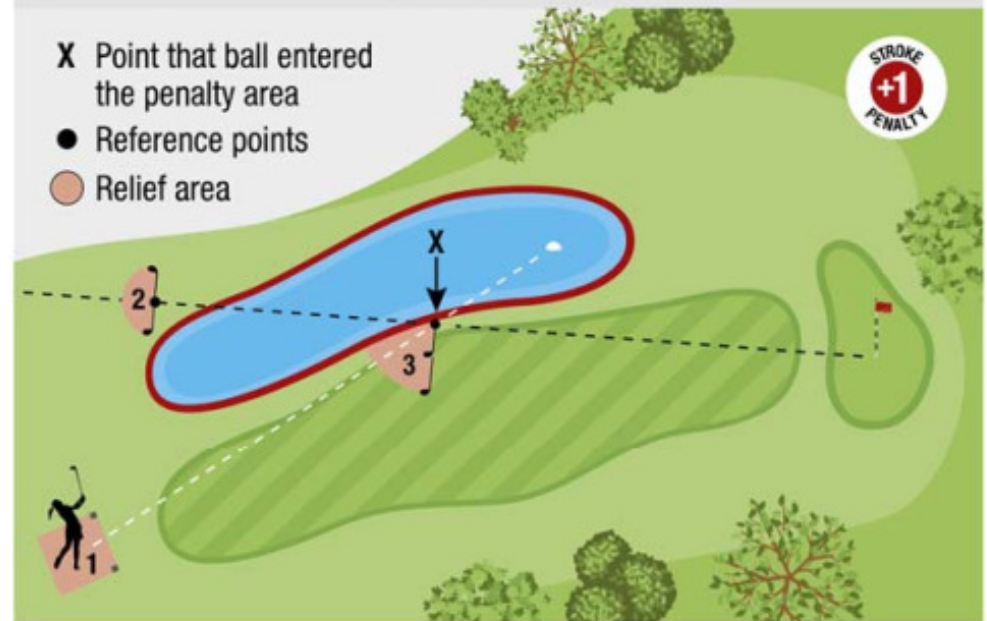

DIAGRAM #1 17.1d: RELIEF FOR BALL IN YELLOW PENALTY AREA

When it is known or virtually certain that a ball is in a yellow penalty area and the player wishes to take relief, the player has **two options**, each for one penalty stroke:

- (1) The player may take stroke-and-distance relief by playing the original ball or another ball from a relief area based on where the previous stroke was made (see Rule 14.6 and Diagram 14.6).
- (2) The player may take back-on-the-line relief by dropping the original ball or another ball in a relief area based on a reference line going straight back from the hole through point X. The reference point is a point on the course chosen by the player that is on the reference line through point X (the point where the ball last crossed the edge of the yellow penalty area). There is no limit on how far back on the line the reference point may be. The relief area is one club-length from the reference point, is not nearer to the hole than the reference point and may be in any area of the course, except the same penalty area. In choosing this reference point, the player should indicate the point by using an object (such as a tee).

DIAGRAM #2 17.1d: RELIEF FOR BALL IN RED PENALTY AREA

When it is known or virtually certain that a ball is in a red penalty area and the player wishes to take relief, the player has **three options**, each for one penalty stroke:

- (1) The player may take stroke-and-distance relief (see point (1) in Diagram #1 17.1d).
- (2) The player may take back-on-the-line relief (see point (2) in Diagram #1 17.1d).
- (3) The player may take lateral relief (red penalty area only). The reference point for taking lateral relief is point X, which is the estimated point where the original ball last crossed the edge of the red penalty area. The relief area is two club-lengths from the reference point, is not nearer to the hole than the reference point and may be in any area of the course, except the same penalty area.

## UNMARKED PENALTY AREAS ON GOLF COURSE DEFINED (HEAVY WOODS/DENSE VEGETATION)

If not marked by stakes or painted lines, all areas of the golf course that are heavily wooded or covered by vegetation are RED PENALTY areas and the edge of the penalty areas is where the wooded area or dense vegetation begins.

## OUT OF BOUNDS (white stakes) or BALL EXITS COURSE

Ball out of bounds marked by white stakes or ball exits the course, will be played as RED PENALTY AREA. See drop options above. DO NOT GET LINE-OF-FLIGHT. 1 penalty stroke from drop location. Stroke and distance is always an option.
